**Appended Data:**

List of required learning media and descriptions.

**NOTE:**

1. The Principal Statements of Approval have been received for the required learning media listed.
2. The copies of required learning media are available for review through Curriculum and Instructional Services.

**June 9, 2003**

***For further information, please contact Lyn Sharratt, Superintendent of Curriculum and Instructional Services, or Bill Hogarth, Director of Education.***

**198 Easy Wood Projects** – Provides the furniture-making component of Construction Technology and Integrated Technology and easily covers projects that the intermediate level students are capable of completing.

**Addison-Wesley Applied Mathematics 9 (+ teacher's resource)** – Developed specifically to meet the needs of students in the Applied 9 Mathematics course. This resource offers applied mathematics content only, and carefully sequenced blocks of content to make the concepts accessible to students. It also offers step-by-step work examples to assist student learning.

**Affirmez-vous!: Pour mieux vivre avec les autres** – This French Immersion resource helps students learn how to improve interpersonal skills. They learn how to deconstruct problems and construct solutions. They will also learn how to avoid stereotypes and prejudicial thinking, as well as how to affirm themselves in positive ways in social situations, negotiating, accepting/giving constructive criticism, and resolving conflicts.

**Architecture: Residential Drawing and Design** – This resource is up-to-date with the latest technology in architecture and construction technology. It offers excellent student work activities and will help to guide the student in a step-by-step process.

**Auto Fundamentals** – This resource will guide students through the design, construction, and operation of all major automotive systems. The text is easy to understand and applicable to all vehicles. Each automotive system is explained in detail, starting with its basic function, and progressing to the construction and operation of the individual components making up that system.

**AutoCAD and its applications ADVANCED** – This resource covers three-dimensional modeling, Internet features, AutoCAD customization, and other advanced features. This text covers topics in an easy-to-understand sequence and progress in a manner that allows students to become comfortable with AutoCAD.

**AutoCAD and its applications BASICS** – This resource provides instruction for mastering AutoCAD commands, tools, and drawing and dimensioning techniques. It allows for manageable texts in both size and content, as well as flexibility to meet the needs of various course structures.

**AutoCAD LT 2002: Fundamentals and Applications** – This book provides easy-to-understand instruction for mastering AutoCAD LT drawing and dimensioning techniques. Text content presents typical applications of AutoCAD LT with basic and advanced concepts. Hundreds of tutorials, exercises, questions, and drawing problems assist in learning.

**Breakthroughs: An Integrated Advanced English Program (+ teacher's guide)** – A theme-based advanced English language program for young adults. The reading activities focus on skills such as skimming, scanning, predicting, inferring and reading charts and graphs. The readings are taken from newspapers, journals, magazines, and the Internet.

**Business Connections: Information Technology in Action** – Fulfills the requirements of both the BTA and BTX courses and allows development of information technology skills. It allows students to investigate electronic businesses and explore occupations.

**Cahier D'exercices et corrigé** – An excellent classroom reference, or student self-help reference for reviewing and reinforcing key grammatical concepts which grade 10 French Immersion students find difficult, such as agreement in number and gender.

**Cahier pratique de grammaire et d'orthographe** – A grammar workbook which can be used as a reference text and is logically organized, easy to understand and not intimidating. It is appropriate for the age, emotional, social and cognitive development of French Immersion students.

**Comment trouver le leader en vous** – A primary, practical French resource which is highly appropriate for the age, emotional, social and cognitive development of French Immersion students taking the leadership course.

**Contemporary Living** – This text provides an objective, sensitive presentation of contemporary issues facing today's students. Students will study their development as individuals and family members and learn to identify the attitudes, values, standards, and goals that will influence their decision-making.

**Defining Canada: History, Identity, and Culture** – Examines the evolution of the Canadian national identity. Starting from pre-contact times, the text traces the social, economic, and political changes in Canada to our present-day society.

**Développez votre Leadership** – This resource emphasizes different leadership styles, and common principles that allow a leader to motivate collaborators and influence those around him/her. These principles reinforce the importance of integrity and personal discipline, as well as sources of positive change.

**Drafting for Industry** – This resource provides thorough coverage of drafting fundamentals and advanced drafting and design techniques. Both instrument drafting and computer-aided design and drafting are covered in a fully illustrated format.

**Early Settlers** – This text is carefully laid out as it outlines what will be discussed in each chapter, provides a vocabulary sections, as well as reflection questions. Each chapter offers wonderful pictures, maps, valuable information and extension activities.

**En español! 1 and En español! 2** (+ workbook 1) – includes a text, a workbook which can be purchased by students, plus additional components. The text is appealing, and offers a variety of activities to support a 3-year program.

**Favorisez le leadership de vos enfants** – This book is excellent reading support issues for discussed in the Guidance and Career Studies leadership course. It is high-interest level, linguistic appropriate reading. It is very appropriate for the age, social, emotional and cognitive development of students taking this course.

**Financial Post: Guide to Investing and Personal Finance** – A “Grade 12 Readable” primer on investments and capital markets. Topics covered in this text (which relate to the course) are: investment goals, risk and return, equities, derivatives, futures, currency, debt, economy, mutual funds, diversification, tax planning and personal portfolios.

**From School to Work** – This resource is designed to help students make smooth transitions from their classrooms to meaningful jobs. The text emphasizes the skills a student needs to succeed in school, at work, and on their own.

**Fundamentals of Organizational Behaviour** – An up-to-date, practical and engaging text which addresses both macro and micro issues in management. Exercises include experiential and personal growth.

**Gage Canadian Beginner's Dictionary** – This dictionary, with full-colour illustration or photography of each entry word, bridges the gap between picture dictionaries and full dictionaries with over 1200 of the most commonly used words in the English language. It also provides sample sentences that show each entry word in context, as well as practical, fun activities that focus on language skills.

**Gage Canadian First Book of Words** – This book offers over 550 of the most commonly used words in the English language with full-colour illustrations for each word. It also lists useful words to encourage students to add to their vocabulary, as well as practical, fun-activities that focus on language skills.

**Gage Canadian Writers in Action** – A friendly, accessible reference for young writers with numerous examples of written forms, both nonfiction and fiction. This book offers concise, point-form presentation with full-colour illustrations. It is also supported by additional activities and exercises on the Gage Learning Web site.

**Holes** – Stanley Yelnats is under a curse and has been unjustly sent to a boys' detention centre where the boys build character by spending all day, every day, digging holes.

**Hospitality Services: Food & Lodging** – This resource presents an overview of the hospitality industry. The text then concentrates on the roles and responsibilities of various workers in restaurants and hotels, from chefs and servers to front desk agents and executive housekeepers. The basics of management and the business side of hospitality are also covered.

**Introduction to Object-Oriented Programming with Flash MX** – Flash MX is an animation program designed to be used on its own, or more commonly, with Internet web pages. Flash has a programming language called *ActionScript* built right into it. This book teaches the basics of programming in an object-oriented manner.

**Investments: Analysis and Management, Canadian Edition** – A thorough text for an introductory course in finance. The text looks at finance and investment issues both quantitatively and qualitatively, discussing how decisions are made from both the investors and the issuers of securities point of view.

**Investments: Fourth Canadian Edition** – This text provides an in-depth coverage of capital markets, including investment decisions, understanding risks, diversification of investments, etc.

**Japanese for Young People 1: Kana Workbook** – This workbook provides a step-by-step approach to learning two of the three Japanese scripts (Hiragana and Katakana). Students will use this resource to practise writing, learn vocabulary, and recognize words.

**L'Estime de soi** – An excellent resource for small group discussion and ISP presentations as part of the leadership course focussing on building self-confidence, self-esteem and healthy interpersonal communication skills. It focuses on self-image and accepting oneself. This book contains useful charts and reinforces character traits that help build healthy relationships.

**L'Étoffe des leaders: les principes cardinaux du leadership** – A primary resource for a leadership course which addresses in great depth two key areas: personal and interpersonal efficiency; and managerial and organizational development. An excellent preparation for active involvement in leadership groups such as student council.

**L'éveil de votre puissance intérieure** – A resource appropriate to the learner's age language level, emotional, social and cognitive development. This is an excellent support resource for group work/ISP

research for students taking a French Immersion leadership course.

**L'intelligence émotinnelle** – These books focus on cultivating positive emotions which allow one to flourish in the workplace. Students explore concepts of social and emotional intelligence. They learn about self-regulation, self-control, emotion and motivation, social radar, how to influence others, collaboration, teams and collective IQ and emotionally intelligent systems.

**L'intelligence émotionnelle: Accepter ses émotions pour développer une intelligence nouvelle** – This resource will greatly assist personal and interpersonal knowledge and skill development. It will help students reach a new level of social and emotional awareness and is highly appropriate for the age, emotional, social and cognitive development of French Immersion students taking the leadership course.

**L'intelligence émotionnelle-2** – A student pocketbook which focuses on cultivating positive emotions which allow one to flourish in the workplace. Students explore concepts of social and emotional intelligence. They learn about self-regulation, self-control, emotion and motivation, social radar, how to influence others, collaboration, teams and collective I.Q.

**Le Pari des Maple Leafs** – A young woman becomes the goaltender for the Toronto Maple Leafs. The other players, who are male, are very unhappy and someone places drugs in her suitcase. She is caught at the border and is removed from team just before the playoffs begin.

**Leadership et travail équipe** – An excellent primary or enrichment resource for the Guidance and Career Studies leadership course. It is highly appropriate for the linguistic level, age, social, emotional and cognitive development of students taking this course. It presents charts, illustration sand pneumatic devices for organizing information and grasping key concepts.

**Les 7 habitudes des Ados bien dans leur peau** – A guide which progressively helps teenagers to improve self-esteem, build friendships, resist peer pressure, reach objectives, and establish more harmonious relationship with parents.

**Les Sept habitudes de ceux qui réalisent tout ce qu'ils entreprennent** – This resource teaches about seven habits that lead to success. These are taught in a series of steps which lead to increased maturity. The steps integrate principles of equity, integrity and human dignity. Students acquire an increased level of awareness that helps them to achieve improved communication and problem-solving skills.

**Les Sept habitudes des familles épanouies** – Based on 7 principles, this book will assist students to be proactive, set goals, establish priorities, and set themselves up for win-win situations. They will also learn to seek to be understood - then to understand, create synergy in the family environment and renew resources, resulting in increased harmony.

**Les six clés de la confiance en soi** – Offering basic principles of self confidence, this highly motivational, uplifting resource is excellent for small group study.

**Literacy Power (+ teacher guide)** – This resource includes sheet passages in a variety of styles which are accompanied by focused questions, response activities and prior reading exercises. It provides support for the classroom teacher in preparing students for the Grade 10 literacy test.

**Lord of the Nutcracker Men** – Ten-year-old Johnny eagerly plays at war with the army of nutcracker soldiers his toymaker father whittles for him. His father goes off to war. The letters that arrive from Johnny's dad reveal the ugly realities of combat. This is a testament to the men who fought in the First

World War.

**Math On Call: A Mathematics Handbook (+ teacher resource)**– A comprehensive, user-friendly resource book which helps students become more independent in researching and reviewing math concepts and strategies. It provides information on many topics and features numerous examples with detailed explanations and easy-to-follow charts.

**Mathematics: Applying the Concepts 9** – Intended for use in the grade 9 applied math program. The organization, layout, and activities throughout the book lend themselves to the “hands-on” learner.

**Modern Carpentry (+ Instructor’s Manual)** – A colourful, easy-to-understand source of authoritative and up-to-date information on building materials and construction methods. It provides detailed coverage of all aspects of light frame construction.

**Molière** – This text provides biographical information on Molière and a chart of chronological life events. It contains Molière’s complete works. This includes 33 full plays as well as his poetry.

**Nouvelle grammaire communicative (+answer key)** – A resource which covers 47 different grammatical areas, including verb tables. It also provides many opportunities for progressing from grammar exercises towards putting the grammatical feature into meaningful communicative contexts. This would make an excellent grammar reference text for both grade 10 and 11 French Immersion.

**Nouvelles frontières 11e Anthologie** – This resource includes poems, articles, interviews, short stories and excerpts from around the Francophone world. Each entry is preceded by a short biography of the author. The last 35 pages include examples of the grammar and language structures to be recognized and used by students at this level, as well as verb conjunctions and vocabulary.

**Obentoo 1**– Provides a functional approach to learning Japanese for beginner students. The ability to communicate in a variety of situations is stressed. This resource is colourful and of high-interest to students.

**Oggi in Italia, 7<sup>th</sup> edition (+audio tape and workbook)** – This resource emphasizes the development of oral communication, reading and writing skills in the target language. Students have ample practice activities to continuously improve language skills. Dialogue, readings and cultural notes provide students with insights into Italian heritage.

**Priorité aux Priorités** – A resource to help student to identify objectives, establish priorities, manage time and work as a team to achieve goals

**Provoquez le leadership: Pour réussir dans le monde** – This resource provides excellent charts and memory aids to help reinforce important leadership concepts. It is highly appropriate for the age, emotional, social and cognitive development of French Immersion students taking the leadership course.

**Random House Japanese-English English-Japanese Dictionary**– An up-to-date bilingual dictionary with over 50,000 entries. Japanese entries are written in the Roman alphabet (to facilitate student access) and are arranged alphabetically according to the Roman alphabet, rather than by Japanese syllabary order. Japanese definitions and entries are also written in Japanese script.

**Select Readings – Intermediate Student Book** – This text provides learners with high-interest reading

passages, many of them adapted from authentic sources. These passages act as springboards into reading comprehension activities, reading skills development, vocabulary building, grammatical analysis and practice, and thought-provoking discussion and writing.

**Select Readings – Pre-Intermediate Student Book** – This text provides learners with high-interest reading passages, many of them adapted from authentic sources. These passages act as springboards into reading comprehension activities, reading skills development, vocabulary building, grammatical analysis and practice, thought-provoking discussion and writing.

**Skills for Living** – This text will help students meet the challenges of their daily lives with confidence. They will learn practical skills for making decisions at home, school, and in the workplace. It also offers information on various careers, preparation requirements, and personal qualities needed to succeed.

**Speak** – A tough, tender, and darkly funny story of a teenage outcast. The novel explores the dangers of high school cliques, and a teenager's struggle to find a way to make her own voice heard.

**Successful Sewing** – A resource designed for use by beginning and experienced sewing students. The text teaches construction skills and includes creative ideas for making sewing fun and profitable. It also includes expanded information on stabilizers, stitchless construction aids, decorative seams, and machine embroidery.

**Technology** – This resource will help students realize how technology affects people and the world in which we live. Numerous illustrations and easy-to-read text enable understanding of how people use technology, and why technological systems work the way they do.

**Technology: Design and Applications** – Studying and applying the lessons included in this book will provide students with the solid content and the hands-on/minds-on experiences that will enable them to understand contemporary technology, while preparing to make good decisions regarding future technology opportunities and options.

**The ABC's in Rhyme, Chant and Song** – This big book presents 31 pages of rhymes for young children to read. The book presents an alphabet rhyme as the first poem and one rhyme for each letter. Pictures of objects that begin with a specific letter are displayed on the appropriate page. Also, both uppercase and lower case letters appear at the top of the page.

**The Canadian Securities Course (Vol. 1-3)** – This course consists of 3 volumes used for the Canadian Securities Course (CSC). The CSC is used by the Canadian Securities Institute, an umbrella organization that oversees and provides accreditation to the Canadian Financial Services industry. The CSC course is the first step for an industry accreditation and is the motivation for a high school interdisciplinary studies finance and investment course.

**The Last Crossing** – The characters in this novel represent a range of men and women from a cross-section of culture and class in the North American West during the last 1800s.

**The Lion, the Witch and the Wardrobe** – A story of four children who are transported to the imaginary world of Narnia where they encounter many adventures and meet characters such as the White Witch and the Lion. Their experiences make profound changes in their lives as a result of what they learn and do.

**The Oxford Picture Dictionary for Kids** – This dictionary is designed for children learning English and

presents over 700 words in the context of 60 topics using pictures that tell stories. It defines vocabulary with callout pictures to help children isolate each item and also includes verbs and nouns together to encourage students to use language in context.

**The Oxford Student's Dictionary of English** – This dictionary, with over 40,000 references is aimed at learners who need English in all their school studies. It has been specially written to include thousands of words needed in all subjects.

**The Portable Greek Reader/The Portable Roman Reader**

A collection of primary sources essential for the Classical Language course. The Ministry guidelines require students to read classical authors for English and these readers are good resources in meeting that requirement.

**The Sign of the Beaver**– After twelve-year-old Matt and his father have finished building a comfortable cabin in the Maine wilderness, Matt's father must leave to bring the rest of the family to the new settlement. Until the day his father returns, Matt must try to survive on his own. He meets an Indian chief and his grandson, Attean. As the boys come to know each other, Attean learns to speak English, while Matt becomes a skilled hunter. An excellent source of historical information about aboriginals and the effect of European settlement on their lives.

**The Struggle to be Strong: True Stories by Teens about Overcoming Tough Times** – A collection of stories and essays written by and directed at older adolescents. The topics deal with secondary school transition to post-secondary and related life challenges. Each piece includes thinking, reflection and writing prompts.

**The World of Fashion Merchandising** – This text presents the business aspects of the fashion world, as well as the basics of market economics, textiles, design, and promotion. It gives an in-depth view of the entire textile/apparel/retail soft goods chain and offers a comprehensive study of retail fundamentals and strategies for retail success.

**The Writer's Craft** – A comprehensive text on writing skills development and mastery. It includes learning goals, definition of writing types, warm-ups, toolkit items, applications, projects and reading lists.

**True Confessions of a Heartless Girl** – A story of a young girl whose teenage difficulties lead her to make decisions that have consequences which spin beyond her control. The main character, Noreen Stall, is flawed, but finds redemption in the end.

**Understanding Economics: A Contemporary Perspective, 2nd edition** - This resource explores economic concepts relating to the Canadian economic system. Students can use the economic concepts to analyze the choices they make during their lives as consumers and citizens. This text will equip students with the knowledge they need to meet the entrance requirements of specific programs offered at universities and colleges.

**Ventanas Uno**– A wide variety of advanced readings that enrich the course for International languages – Spanish course, which will satisfy the independent reading requirement.

**Video Communication & Production** – A comprehensive textbook designed as a complete introductory course in video – the 21<sup>st</sup> century hybrid of television and film techniques that is the future of all media production.

**Working with Young Children** – This resource focuses on the application of child development

principles to the care of children in group settings. It will give students an in-depth understanding of child development, child behaviour, and planning activities for children in helping to meet their physical, emotional, social and intellectual needs.

## **SERIES**

**ALPHAKIDS READING  
ASSESSMENT KIT**

**Levels 1-24**

*Alphakids* is an early literacy program developed for reading intervention and guided reading in the classroom. This assessment kit provides a carrying case which organizes single *Alphakids* benchmark books from levels 1 to 24. The kit provides a video to analyze running records. The video presents an excellent resource for staff development and the teacher guide provides blank running records and rubrics for story retelling and fluency.

**BOOKWEB  
CHAPTER BOOKS**

**Grade 3**

*BookWeb*, Grade 3 is a guided/independent reading program. A complete pack offers 1 copy of 25 titles, plus a Teacher's Guide and a Blackline Masters Book. The pack offers 15 fiction and 10 nonfiction levelled texts which include full-colour books and a balance of literary and nonfiction text forms, genres and media.

**CANADIAN HERITAGE  
COLLECTION**

In this collection, each book explores the 20<sup>th</sup> Century through examination of a central theme. They are then organized by decade which helps the student understand the unique characteristics of a particular period, as well as the changes. As each theme (book) moves from decade to decade, students are able to explore the shifts in experience, and examine the shaping influences, ideas, and people within Canada.

**CASI**

**Comprehension  
Attitude  
Strategies  
Interests**

The *CASI Reading Assessment* (Grades 7+8) are designed to help teachers diagnose students' reading strengths and learning needs, and to provide suggestions for improving their reading fluency and comprehension. CASI incorporates a variety of comprehension assessment tools including:

- a reading interview
- a reading attitude survey
- 10 Reading Passages for each grade
- a generic reading rubric
- 4 levels of student responses
- a modified miscue analysis and oral retelling

**CHARACTER EDUCATION**

These readers provide examples to help students understand what the character attributes (e.g., respect, honesty, etc.) mean. These books are written at the primary level and offer wonderful illustrations.

**DEAR CANADA**

With Nothing But Our Courage,  
The Loyalist Diary of  
Mary MacDonald

Mary MacDonald and her family must flee their home in Albany County, New York, because they have been loyal to the British Crown through the American War of Independence and are no longer safe. Their flight, a perilous adventure during which they lose all possessions, is aided by Mohawk friends who teach them how to live off the land. Eventually, they settle on new land in Johnston, Quebec and begin a new life as Canadians.

**DEAR CANADA**

Footsteps in the Snow, The Red  
River Diary of Isobel Scott

Twelve-year-old Isobel travels from Scotland to Rupert's Land in 1815. Motherless, Isobel, her dad and her brother land in Red River when they find themselves in the midst of a battle between two fur trading companies. Her relationship with aboriginal people is at first troubled and resentful and her father marries White Loon, a Cree woman. After a while, Isobel realizes how much she has come to identify with her new land and with its aboriginal people.

**DEAR CANADA**

A Prairie as Wide as the Sea,  
The Immigrant Diary of  
Ivy Wetherall

Eleven-year-old Ivy Weatherall leaves her home in London, England, with her family to settle on the Canadian prairies. Over the course of a year, Ivy's family learns that life in western Canada is not exactly as it was advertised in England. Farm life is difficult and certainly not as lucrative as it was made out to be. After a while, Ivy comes to appreciate life in her prairie community, and by the end of her first year in Saskatchewan, realizes how Canadian she has become.

**FACTIVITY**

**Science and Social Studies  
Curriculum**

This series covers a wide range of subject matter, suitable for primary guided, shared, and independent reading situations. Each big book contains helpful notes to teachers and key nonfiction literacy learning teaching points and examples.

**HABITATS OF THE WORLD**

The ten books in this non-fiction series span the globe. Each book offers a very visual look at a unique environment offering a simple, yet detailed description of the animals, plants and people living there. The text is suitable for young readers with each book featuring a useful glossary. For higher level readers, the text is useful in introducing concepts used in non-fiction.

**INQUIZITIVE**

**Orange Level  
Green Level**

*Inquizitive* is a collection of high interest, immediately appealing non-fiction books for the wide range of students in grades 3 to 8. They are rich in non-fiction text features (timelines, maps, diagrams, captions, etc.) - all common non-fiction text features (including those found in textbooks) are represented in *Inquizitive!* A language arts series is organized around interesting and appropriate science and social studies topics linked to the provincial curriculum. These resources are designed to guide students to go beyond decoding and unlocking text to using a variety of reading skills and strategies.

**JUST KIDS**  
Sets 4, 5 and 6

This series of early chapter books include colour illustrations and brief chapters that can be completed in a half-hour timeframe. The chapters are short enough to hold the student's attention. The books are levelled for guided reading. Sets 1-3 of this series have already been Board approved.

**MATH EVERYWHERE 4**

**Math Everywhere 4 (Student Book, Teacher Guide, Homework Book)** – This resource is divided into four sections: Start-up, Unit 1 (Math Access Canada), Unit 2 (Medieval Math), and Unit 3 (Math in our Dynamic World). All five strands of mathematics are addressed and this resource offers good integration with other subject areas.

**MATH EVERYWHERE 6**

**Math Everywhere 6 (Student Book, Teacher Guide, Homework Book)** – This resource is divided into four sections: Start-up, Unit 1 (Math in Space), Unit 2 (Math and Flight), and Unit 3 (The Math of Starting a Business). All five strands of mathematics are addressed and this resource offers good integration with other subject areas.

**MATH READERS**  
(Grades K-2)

Independent reading books that support math content. At each grade the books increase in difficulty to challenge students to boost their knowledge about math while reading. Students will be able to see the connections between each book because the character, content, and theme are related.

**MUSICPLAY**  
Grades 1-5

A new concept in elementary music texts - *Musicplay* is a play-based program. Each week features a new game from which the musical concepts in the curriculum are taught. Children love music games - this is a text that will have your students really excited about learning music!

- 79-110 songs/grade - Action Songs, Singalong songs, Canadian folk songs, Multicultural Songs, Game Songs, Holiday Songs
- Canadian folksongs in every grade - teach our heritage through song!
- Multicultural songs - Japanese, Chinese, Spanish, African, sung in original languages
- Native Canadian songs and games - a variety of voicings and accompaniments used in the recordings
- Performance tracks AND Accompaniment tracks for most songs
- Supports & enhances science, social studies, & LA curriculum
- www. references for many topics
- Beginning recorder instruction is included in grade 4 and 5
- listening notebook & response journal
- sequenced for use within Kodaly and Orff programs
- Piano accompaniments by a noted Canadian composer
- reproducibles for written exercises in the teacher guides, so student books can be used for many years.

**OXFORD READING TREE**  
(Grades K-4)

**Treetops and More Treetops**

This primary literacy program is appropriate for shared, guided and independent reading. The stories are carefully written using simple, natural-sounding language that children can understand. “Key” words are repeated throughout the storybooks so children gradually increase the number of words they can recognize and read.

**PM MATH**  
(Stage C – Green/Orange)  
and  
(Stage D – Turquoise/Purple)

*PM Math* introduces key mathematical concepts and math vocabulary to students K-2. This series features levelled texts, captivating photographs and illustrations, take-home activities, highlighted math vocabulary and high-frequency words, plus a teacher’s guide.

**SECOND CHANCE  
READING**

**Fact Meets Fiction Set 2** – paired books that can be read together or individually with fiction stories with characters that students can relate to.

**Sparklers Set 2** – offers plots that develop quickly, while increasing in complexity with everyday challenges and successes combined with fantastic adventures.

**Super Doopers Set 2** – high-interest chapter books with simple stories and lots of illustrative support. Fast-moving, lighthearted plots in which kids are the main characters.

**Too Cool** – These books feature a central character named Too Cool, who is full of spunk, imagination, and self-confidence and offer high-interest topics, especially for boys – all sport related.

**Triple Play Set 2** – features mini-series with continuity within each series: the first book introduces characters that students can follow through 2 additional adventures.

**SHINKANSEN JAPANESE  
READERS**  
Series A, B and C

These simple readers are presented in comic book format and written in Japanese text. Characters appear in contemporary, traditional and imaginary settings. Situations are appealing and humorous while making students aware of their own culture, as well as the target culture. A Japanese-English glossary is included in each book.

**SIDE BY SIDE**  
Literacy and the Arts

A unique Canadian levelled-book series that connects language and the arts through reading. This series concentrates on literacy strategies in meaningful and appealing contexts, while supporting and complementing the arts curriculum.

**SIDE BY SIDE**  
Literacy and Math

A unique Canadian levelled-book series that connects language and mathematics through reading. This series concentrates on literacy strategies in meaningful and appealing contexts, while supporting and complementing numeracy.

---

<b>SOCIAL STUDIES THROUGH LITERATURE</b>	<b><u>Urban and Rural</u></b> and <b><u>The Middle Ages</u></b> and <b><u>Early Civilizations</u></b> Each unit includes a teacher's guide and a collection of fiction and non-fiction books to explore the concepts. These books can be used as independent, guided, group reading or read-aloud resources.
<b>THE NEWS THE NEWS II</b>	A collection of books in the form of a newspaper with headings and sub-headings, letters to the editor and an editorial. They offer colourful pictures and depict diverse cultures. The teacher guides provide ideas for speaking, listening, reading, writing, spelling and research.
<b>TOUT ADOS 2 (Unit 1) FÊTES ET MARDI GRAS</b>	This unit explores the theme of North American Francophone celebrations, including the Mardi gras in Louisiana, the Festival acadien de Caraquet in New Brunswick and the Festival du Bois in British Columbia.
<b>TOUT ADOS 2 (Unit 2) EXPO 1900</b>	This unit focuses on famous francophones and their achievements. Students have the opportunity to personify and present a famous francophone.
<b>TOUT ADOS 2 (Unit 3) VAGABONDS DE L'ESPACE</b>	Students read an adventure story in comic-strip format. In the story twin brother and sister free their unjustly imprisoned parents, with the help of a heroic space pilot and a robot dog.
<b>TOUT ADOS 2 (Unit 5) SOUS UN SOLEIL IMAGINAIRE</b>	This unit presents folk tales from three different parts of the Francophone world. Each of the stories presents typical characters from legends and traditions and incorporates the geography and culture of the region.
<b>TOUT ADOS 2 (Unit 6) LE TOUR DU MONDE FRANCOPHONE</b>	In this unit, students follow two students who participate in a contest centered around la francophonie mondiale. The first subtheme examines aspects of Francophone Europe and in the second subtheme, students visit Francophone Africa, French Polynesia, and Martinique.
<b>WELL-BEING</b>	This series covers aspects of character education and is suitable for primary guided, shared or independent reading. The books explore themes that are relevant to a child's everyday life.
