ABOUT THE TEST

The Ontario Secondary School Literacy Test (OSSLT) was administered in October 2003 under the auspices of the province's Education Quality and Accountability Office (EQAO). The OSSLT was designed to assess the reading and writing skills that students are expected to have learned across all subjects by the end of Grade 9, as outlined in *The Ontario Curriculum*. Students must pass both the reading and writing components to successfully complete the test. Successful completion of the OSSLT or the Ontario Secondary School Literacy Course (OSSLC) is a graduation requirement for the Ontario Secondary School Diploma.
